PBA Elementary Notification 02.10.21: New CSP Grant Laptops Available

Hello PBA Families! This message is for our Elementary Campus Families. We are fortunate to have obtained a technology grant which enabled us to purchase new laptops for the school. Every student will have a new laptop to either work with face to face on site or to continue with their e-learning from home. If e-learning students have a Title I laptop they were loaned to use at home, those laptops will need to be returned at the same time you receive the new CSP laptop.

Since every student will be receiving a new laptop, we require that all parents and guardians (whether of face to face or e-learning students) sign a loan agreement for the new laptop. Teachers of 5th Grade Face to Face students should have already contacted their parents and sent home the form to be signed and returned. Other grades will be likewise contacted by their teachers. If you are an E-Learning parent or guardian, please refer to the schedule below to see when your student's laptop will be ready for pick up.

5th Grade	2-15 and 2-16	9 - 11 am
4th Grade	2-18 and 2-19	9 - 11 am
3rd Grade	2-22 and 2-23	9 - 11 am
2nd Grade	2-25 and 2-26	9 - 11 am
1st Grade	3-1 and 3-2	9 - 11 am
Kinder	3-4 and 3-5	9 - 11 am

Please remember that if you have a Title I laptop, you will need to turn it in before receiving the new laptop.

Thank you
