

## **Panther Notes from Title 1**

**October 10, 2019**

### **Shout out to our Parents...**

Thanks to all of your incredible input through surveys, event exit slips and more, we have a new School-Parent-Student Compact! Please read it over with your child and return it to school as soon as you can. You can always refer back to this document by going to [www.palmbayacademy.org](http://www.palmbayacademy.org).

You will also find in your students backpack our new 2019-20 Parental and Family Engagement Plan (PFEP) Summary brochure. Take a look at it, and be sure to go online to [www.palmbayacademy.org](http://www.palmbayacademy.org) to find the full PFEP - it's full of a lot of great information!

Last year's FSA scores were given out during Orientation (July 23). If you have not had the opportunity to pick up last year's FSA scores, they are in the office - just ask Ms. Linda for a copy. If you would like to discuss the scores with your teacher please make an appointment for a conference (we do not allow conferences during morning drop off or dismissal times).
