1. Welcome

Welcome to Palm Bay Academy! We are delighted that your child is enrolled in our school and we look forward to working with you and your family. We are confident that we can serve your child's needs, instill in them the qualities of a leader and the assurance to excel in their school work.

Palm Bay Academy is a PBIS (Positive Behavioral Interventions and Supports) driven school engaged in an HRS (High Reliability Schools) framework. This results in a successful school improvement process that is well-organized, coordinated, collective, and systemic.

This process supports our students' wellness and health in all matters; behavioral, academic, social, emotional, and mental. It enhances our organizational effectiveness, increasing student achievement, and sustaining positive outcomes.

It gives us a common language to name what we're doing, assess our current reality, align our initiatives, and determine where to go next. It is a vehicle that allows us to balance shared responsibility and autonomy to make decisions that best meet the needs of all our students.

2. School Communications

4. Pledge of Allegiance

Palm Bay Academy students or personnel recite the "Pledge of Allegiance" every morning at the beginning of the day in accordance with Florida Statute, 1003.44, Patriotic Programs; Rules...

The pledge of allegiance to the flag, "I pledge allegiance to the flag of the United States of America and to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all," shall be rendered by students standing with the right hand over the heart. School Uniform Policy

NOTE: Palm Bay Academy is a uniform school. Students at all campuses are to wear ...

Heather gray polos with the Palm Bay Academy logo,  and navy blue bottoms.

Palm Bay Academy chooses to be a uniform school in order to create equanimity among students and to foster an environment conducive to learning. Students in uniform are instantly recognizable enhancing safety on and off campus. School uniforms are mandatory and are to worn at all times for all students K – 8 while attending school or any school-sponsored activity **during** the school day. Parents must ensure conformity with uniform requirements.

Please review the dress code carefully (posted on line at www.palmbayacademy.org and in the Mandatory Orientation PowerPoint presentation, also available on the PBA website) and discuss it with your child. All students are expected to come to school in complete, clean, neat uniforms without tears or holes. As of July, 2018, all uniforms, including PE uniforms must be purchased from:

ELECTRONIC/WIRELESS DEVICES

Palm Bay Academy is aware that wireless communication devices (WCDs) are used by students and parents to communicate with each other. However, the use of wireless communication devices (WCDs) on school grounds must be appropriately regulated to protect students, staff, and the learning environment. Please be aware of the following policy...

Students may possess wireless communication devices (WCDs) in school, on school property, during after school activities (e.g. extra-curricular activities) and at school-related functions but they must be powered completely off (i.e., not just placed into vibrate or silent mode) and stored securely out of sight during school hours.

Technology including, but not limited to, WCDs intended and actually used for instructional purposes (e.g., taking notes, recording classroom lectures, writing papers) will be permitted, as

approved by the classroom teacher or the school principal. However, the use of a WCD to engage in non-education-related communications is expressly prohibited.

For purposes of this policy, "wireless communication device" includes computers, tablets (e.g., iPads and similar devices), electronic readers ("E-readers"; e.g., Kindles and similar devices), cell phones (e.g., mobile/cellular telephones), smartphones (e.g., BlackBerry, iPhone, Android devices, Windows Mobile devices, etc.), smart watches, telephone paging devices (e.g., beepers or pagers), and/or other web-enabled devices of any type. Students may not use WCDs on school property or at school-sponsored activities to access and/or view Internet web sites that are otherwise blocked to students at school.

Also, during after school activities, WCDs shall be powered completely off (not just placed into vibrate or silent mode) and stored securely out of sight when directed by the administrator or activity sponsor. Under certain circumstances, a student may keep his/her WCD "on" with prior approval from the principal for the specific time/event designated by the principal.

Except as authorized by a teacher, administrator, or IEP Team, students are prohibited from using WCDs during the school day, including while off-campus on a field trip, to capture, record or transmit the words or sounds (i.e. audio) and/or images (i.e., pictures/video) of any student, staff member or other person in the school or while attending a school-related activity, without express prior notice and explicit, written consent for the capture, recording or transmission of such words or images. Using a WCD to capture, record and/or transmit audio and/or pictures/video of an individual without proper consent is considered an invasion of privacy and is not permitted. Students who violate this provision and/or use a WCD to violate the privacy rights of another person, may have their WCD confiscated and held until the end of the school day until a parent/guardian picks it up, and may be directed to delete the audio and/or picture/video file while the parent/guardian is present. If the violation involves potentially illegal activity the confiscated WCD may be turned over to law enforcement.

"Sexting" is prohibited at any time on school property or at school functions. As set forth in State law, sexting is the knowing transmission or distribution to another minor by a computer or similar device any photograph or video of any person that depicts nudity and is harmful to minors. Sexting also includes possessing a photo of any person that was transmitted or distributed by another minor that depicts nudity. Such conduct not only is potentially dangerous for the involved students, but can lead to unwanted exposure of the messages and images to others, and could result in criminal violations related to the transmission or possession of child pornography. Such conduct will be subject to discipline and possible confiscation of the WCD.

WCDs, including but not limited to those with cameras, may not be activated or utilized at any time in any school situation where a reasonable expectation of personal privacy exists. These locations and circumstances include, but are not limited to, classrooms, gymnasiums, locker rooms, shower facilities, rest/bathrooms, and any other areas where students or others may change clothes or be in any stage or degree of disrobing or changing clothes. The Superintendent and building principal have authority to determine other specific locations and situations where possession of a WCD is absolutely prohibited. Students shall have no expectation of confidentiality with respect to their use of WCDs on school premises/property.

Students may not use a WCD in any way that might reasonably create in the mind of another person an impression of being threatened, humiliated, harassed, embarrassed or intimidated. In particular, students are prohibited from using WCDs to: (1) transmit material that is threatening, obscene, disruptive, or sexually explicit or that can be construed as harassment or disparagement of others based upon their race, national origin, sex, sexual orientation, disability, age, religion, ancestry, or political beliefs; and (2) engage in "sexting" - i.e., sending, receiving, sharing, viewing or possessing pictures, text messages, e-mails or other materials of a sexual nature (i.e., sexting) in electronic or any other form. As set forth in State law, sexting is the knowing

transmission or distribution to another minor by a computer or similar device any photograph or video of any person that depicts nudity and is harmful to minors. Sexting also includes possessing a photo of any person that was transmitted or distributed by another minor that depicts nudity and is harmful to minors. Violation of these prohibitions shall result in disciplinary action. Furthermore, such actions will be reported to local law enforcement and child services as required by law.

Students are also prohibited from using a WCD to capture, record and/or transmit test information or any other information in a manner constituting fraud, theft, cheating, or academic dishonesty. Likewise, students are prohibited from using WCDs to receive such information.

Possession of a WCD by a student at school during school hours and/or during extra-curricular activities is a privilege that may be forfeited by any student who fails to abide by the terms of this policy, or otherwise abuses this privilege.

Violations of this policy may result in disciplinary action and/or confiscation of the WCD. The building principal may also refer the matter to law enforcement or child services if the violation involves an illegal activity (e.g. child pornography, sexting). Discipline will be imposed on an escalating scale ranging from a warning to an expulsion based on the number of previous violations and/or the nature of or circumstances surrounding a particular violation. If the WCD is confiscated, it will be released/returned to the student's parent/guardian after the student complies with any other disciplinary consequences that are imposed, unless the violation involves potentially illegal activity in which case the WCD may be turned over to law enforcement. In particular, egregious offenses involving the invasion of another person's privacy, the Board reserves the right to confiscate the WCD and hold it until the end of the school year. A confiscated device will be marked in a removable manner with the student's name and held in a secure location in the building's central office until it is retrieved by the parent/guardian or turned over to law enforcement. School officials will not search or otherwise tamper with WCDs in District custody unless they reasonably suspect that the search is required to discover evidence of a violation of the law or other school rules. If multiple offenses occur, a student may lose his/her privilege to bring a WCD to school for a 34 designated length of time or on a permanent basis.

A person who discovers a student using a WCD in violation of this policy is required to report the violation to the building principal.

Students are personally responsible for the care and security of their WCDs. The Board assumes no responsibility for theft, loss, or damage to, or misuse or unauthorized use of WCDs brought onto its property, or the unauthorized use of such devices.

Parents/Guardians are advised that the best way to get in touch with their child during the school day is by calling the school office.

LIBRARY BOOKS AND OTHER SCHOOL EQUIPMENT AND MATERIALS

Children are expected to take proper care of books or materials. Lost or damaged books, equipment (i.e. laptops) or materials are the financial responsibility of the parents and students.

RACIAL SLURS, HATE SLURS, NAME-CALLING,

Racial slurs, hate-related slurs, name-calling and put downs, intimidation, physical, verbal or written will not be tolerated at schools, school activities, on school buses or other school

sponsored transportation. Students shall at all times refrain from using racial slurs, hate-related nicknames, bullying and any other name-calling or put downs.

WITHDRAWALS, TRANSFERS – NOTIFICATION,

Parents should notify the school or their child's teacher of their plans of withdrawal or transfer as soon as possible prior to the last day of attendance. The notification should include the last day of attendance and the next school the child will be attending. Before the withdrawal or transfer is completed, all school property must be turned in or accounted for, all charges paid, and the Withdrawal Form completed.

No student will be admitted from another school in Brevard County until he or she presents a transfer card/form from the school previously attended.

Attendance, Attire, and School Day Readiness

The foremost responsibility of our parents and guardians is to have their students at school on time (see *section 7. Attendance*), in the designated uniform (see *section 5. Student Attire*) and prepared to start their school day. Innovative learners are also expected to be prepared and dressed in uniform to start the day. Proper rest and nutrition is essential for a student to be at their best and able to learn successfully.

Textbooks/Workbooks

All textbooks or workbooks are the property of Palm Bay Academy. Unless otherwise instructed, students should **NOT** write in the textbooks. If the textbooks are vandalized or lost, the student will be responsible for the cost of replacement (could be as much as \$100.00).

Homework and Make Up Work

It is expected and critical to your student's success that they complete and hand in their homework when due.

A minimum amount of time should be set aside each night for your child's homework. Recommended study times are at least:

Kindergarten - First Grade:	30 minutes
Second - Sixth Grade:	1 hour
Seventh - Eighth Grade:	1.5 – 2 hours

Students may be able to make up missed work within the nine (9) week period. All educational requirements for the course shall be met before a passing grade and/or credit is assigned. The student shall have a reasonable amount of time, left up to the discretion of the teacher, to complete make-up work. Principals may grant extensions to make-up time limit for extenuating circumstances.

The principal shall determine, in consultation with teachers, when appropriate, whether the student should be given the opportunity to make-up schoolwork and course requirements missed while absent due to out-of-school suspension.

If this privilege is given, the student shall have a reasonable amount of time left up to the discretion of the teacher following suspension to complete the schoolwork missed and shall do so on his or her own initiative.

Report Cards/Academic Progress Reports

Report cards will be issued as dictated by the Brevard County School Calendar. A calendar will be available during the mandatory orientation, and on the Brevard School Board website for parent reference. A link is also supplied on the Palm Bay Academy website on the Home page and under "**Information/Brevard School Links/Brevard Schools Calendar**".

Progress reports will be posted to FOCUS at the midpoint of each nine-week grading period. Should you received a hard copy interim report, please sign and return the report to your student's teacher. Please keep a copy for your own records. If you have questions concerning a FOCUS posted interim report, please contact your student's teacher directly by email.

Palm Bay Academy posts student grades to FOCUS. **Valid email addresses are mandatory for you to receive important communications and to access grades.** If you need to activate your FOCUS account, please ask the front desk for a copy of your PIN letter. It is required that you come to the school personally to receive and sign for the copy of your PIN letter.

Prescription Medication

Prescription medication will only be administered as approved by a physician (must have prescription label on bottle/box). Two forms (Parent Request to Administer Medications and Medication Administration Record – available at the Front Desk) must be filled out and signed for the school to administer any over the counter or prescription medications. These forms must be filled out every school year. Over the counter medication must be in an unopened, new container. If assistance with non-prescription or over-the-counter medications is requested for periods of time over 3 days the school will require approval of a physician.

The parent must give written permission to the school office, including an explanation of the necessity for the medication during the school day, and/or for the student who may be away from school property on official school business (forms are available at the front desk). The administrator will designate person(s) to be responsible for accepting, counting and administering medication. The designated person(s) will complete a medication log for each student when medication is administered. Medication will be counted and stored properly in the ORIGINAL CONTAINER under lock and key. Medication may be left at the school overnight in cases where the physician and parent make a request for high frequency and lengthy dosage requirements. Medication shall not be carried on a student's person on the school grounds. All medication left in the clinic at the end of the school year will be disposed of per Health Department guidelines.

Head Lice

Florida schools have been known to have outbreaks of head lice due to children's close contact. Palm Bay Academy feels a strong commitment to providing a safe and clean environment for each child while safeguarding personal privacy. Please notify the school if your child(ren) are found to have head lice, so prompt attention can be conducted.

"If a child is identified as having live head lice, the child must be treated at home and must be accompanied to the school clinic the next day with the parent/guardian to check for live head lice. Additionally, a Head Lice Statement letter must be sent home with the parent/guardian.

In order for a child to be readmitted to school following a live head lice infestation, he/she must be checked, have no live lice, and have the Head Lice Statement signed by the parent/guardian that treatment was completed. If no nits are found, further rechecking will not be done. If nits are found, the student will be readmitted and rechecked in 8-10 days. If live lice are found, the student will not be readmitted and the entire procedure will be repeated.

If you would like more information regarding [head lice](#), you can access our website or see the front office for additional literature.

Clinic Rules

Children who are ill or injured will be brought to the clinic (minor issues will be cared for in the classroom). Children will be returned to the class after they are treated or have rested in the clinic for 10 minutes. Parents will be contacted and asked to pick up children with elevated temperatures, upset stomachs and injuries not treatable with Band-Aids.

Field Trips (Field Trips reviewed on a case by case basis)

Field trips occur periodically during the school year to enhance classroom curriculum and the overall learning experience of the students. Field trips are planned by school staff and approved by the administrator.

All children must have a signed parental permission slip for each field trip. A standard permission slip will be sent home requesting signature and permission of attendance. Filed trip permission slips and field trip monies are due by the date noted on the permission slip and/or accompanying information note. If the child does not have a signed slip and monies due paid by the due date, he/she will not be able to attend the field trip. If your child does not attend a scheduled field trip, he/she must still attend school, or it is reflected as an absence.

If the field trip requires a payment, it must be submitted, **in cash**, by the deadline in order for the school to pay for the trip. Trip monies are paid to the field trip site in advance. If, for any reason, your child does not attend, the monies paid are **non-refundable**. Uniforms will be worn on all field

trips unless otherwise announced. Bag lunches may be required. Other items may be required and/or specific conditions may apply for the field trip. These will be noted either on the field trip

permission slip and/or accompanying information note. **Please note that it is possible for students**

to lose field trip privileges due to disciplinary issues and/or uniform non-compliance.

Background Checked and Fingerprinted

Palm Bay Academy requires that all parents/guardians who are volunteering be background checked through Brevard Schools. If you plan on chaperoning field trips, volunteering on school grounds or at events, you must be finger printed as an **Approved Volunteer** (through Brevard Schools in Viera). Fingerprinting through any other organization (including the FBI, CIA or any other county, state or corporate organization) is not accepted by Brevard Schools.

Chaperones for field trips will be chosen by the classroom teachers. Only 1 chaperone per 10 children is required (i.e. a class of 19 will have the teacher and 1 chaperone). As a chaperone, you may be assigned to a group other than your child's.

Brevard Schools District badges have been discontinued by Brevard Schools. In the interest of student security, we now require that all our volunteers keep a copy of their driver's license or Florida picture ID on file with PBA Front Offices and be verified as fingerprinted through the RAPTOR Identification Verification system before being allowed to chaperone field trips or events.

To begin your fingerprinting process, go to the Brevard Public Schools website, click on the "Parents & Students" tab, and access the "Volunteer Information" link or go to: <http://www.BrevardSchools.org/Departments and Programs/District and School Security/> and follow the instructions. Click on the Volunteer link and follow the instructions for an "Approved Volunteer".

Tardiness and Signing In

ELEMENTARY STUDENT NOTE: If your child will be arriving after **8:00 am**, please remember to call the front office and order a lunch for your child. Lunches are ordered for students at 8:15 am for that day. If your child is not present before 8:00 am, a lunch will **not** be automatically ordered for them.

Please encourage your child to develop the good habit of being on time. Tardiness will be excused ONLY for illness and medical appointments **with** a doctor's note. Students go directly to their classroom after picking up breakfast. New curriculum starts promptly at 7:30 am. **Elementary students are considered tardy at 7:31am.** Middle School breakfast starts at 9:00 am. **Middle students considered tardy at 9:31 am.** A child is considered tardy if they are late per official school time. Official school time is the time on the front desk computer. If your child is tardy or if you suspect they may be tardy, you **must** sign your child in. This includes being late to school for any reason. Once signed in, your child will be given a tardy slip in order to enter the class room. If you do not sign in your child, we will keep the child in the front office until you return and do sign them in.

Absences and Doctor's Notes

Consistent daily attendance is important to your child's academic growth. Palm Bay Academy understands that occasional illness may occur and follows the Brevard County Schools policy for attendance. All students must be in attendance a minimum of **four (4)** hours of **instructional** time to take part in extracurricular activities. Kindergarten students must be in attendance for a minimum of 162 days as a criterion for progression to first grade.

It is required that you call the Elementary school by 7:30 am and the Middle school by 9:15 pm and report when your child is out ill. We also require a written notice from parents/guardians following absences, stating the date(s) and reason. In addition, if your child is out for 3 or more days a doctor's note releasing your child for school is required for your child to return to school. Excessive absences will require a doctor's statement. The principal may, in consultation with the teacher, deny promotion based on this criterion.

Brevard County School Policy stipulates that a student who is absent more than nine (9) days within a semester will not receive a passing grade for the semester unless they go through the Appeals Process. Parents must submit an Appeals Packet to the Attendance Committee for review.

Absences **not** counted in the nine (9) days/four (4) days attendance policy are:

- ♦ Illness with medical documentation.
- ♦ Court appearance of the student.
- ♦ Medical appointment of the student (see Policy 5751).
- ♦ Pregnancy related issues.
- ♦ Approved school activity.
- ♦ Insurmountable conditions. Insurmountable conditions are extreme weather conditions, communicable disease outbreaks, and local conditions determined by the School District which, after taking into account the material circumstances, would render impracticable a student's attendance at school. (F.A.C. 6A-1.09513)
- ♦ Other absences with prior approval of the principal or designee.
- ♦ Attendance at a center under Children and Families Services supervision.
- ♦ Significant community events with prior permission of the principal or designee.
- ♦ Religious instruction or religious holiday.
- ♦ Death in the immediate family.
- ♦ Appointments for a therapy service provided by a licensed health care practitioner or behavior analyst certified pursuant to Florida law for the treatment of autism spectrum disorder including, but not limited to, applied behavioral analysis, speech therapy, and occupational therapy.
- ♦ Chronic and extended illness.

Extended Absence

It is understood that there may be times when students will be away from school for extended periods (chronic illness, family emergencies, etc.). These cases will be reviewed individually. Written notification of extended absence must be given and approved by Administration in advance in order for absences to be excused. It is expected that students make up missed work in order to have the absences excused. Our innovative learning option is no longer available, but "paper and pencil" options are available and must be requested through the student's teacher and/or PBA Administration.

Student Checkout

To ensure your child's safety, the following procedures have been established for any change(s) in your child's dismissal from school/change in transportation home:

- ♦ Students will not be allowed to leave school prior to the normal dismissal unless a Parent/Guardian comes to the school and checks out the student with the front office.
- ♦ Parent/Guardian may be asked by the office staff to show photo identification when signing students out of school.
- ♦ They may also be asked additional student identification questions.
- ♦ According to School Board Policy, students are released to the Parent/Guardian of the record only.
- ♦ A Parent/Guardian must give **advance (24 hours) written, dated, and signed notice using the "Transportation Change Form"** to the Front Desk when requesting a child be released to someone other than the designated person(s) **or** for any other change made in transportation means. **No other "note" will be accepted.** Please note it is not the responsibility of the homeroom or classroom teacher to make sure the "Transportation Change Form" is delivered to the Front Desk. **There will be no exceptions.**
- ♦ Elementary early pickups must be made no later than 2:00 pm on regular days or 12:45 on early release days. Middle early pickups must be made no later than 4:00 pm regular or 2:35 early release days. If you are taking your child out early and are requesting school work, please give the teacher adequate notice to prepare materials (at least two days).
- ♦ Please do not expect the teacher to prepare materials at the time of pick up without prior notice
- ♦ **Dismissal Changes (changes in Pickup Transportation):** Please remember the following:
 1. Due to the Jessica Lunsford Act, we are no longer able to accept transportation changes verbally, via phone calls/messages, text message, email, or voice mail. A Parent/Guardian must give **advance written, dated, and signed notice using the "Palm Bay Academy Transportation Change Form"** to the Front Office when requesting a child be released to someone other than the designated person(s) **or** for any other change made in your child's transportation means. Incomplete forms will not be honored. **There will be no exceptions.**
 2. Changes must be made a minimum of 24 hours prior to pick up/dismissal. **All changes must be made using the Palm Bay Academy Transportation Change Form and be signed by the parent/ guardian designated in the school's database.** If the completed transportation change form is not received by the front office by 11:00 am the morning of the change, the child will follow the previously arranged transportation. This form is critical and is for your student's and your protection. If you choose to send the transportation form via your student and it is not received by the front desk, the child will follow the previously arranged transportation.
 3. A form must be filled out for each change and will only be in effect for that date(s) or, if it was marked permanent, until the next form is received. If changes have been frequent, the last form received (with the latest date) will be considered the "normal" mode of transportation to be followed. If changes are for more than 5 consecutive days (1 week Mon-Fri), mark the change Permanent. Please fill out the necessary forms to cover the time needed (i.e. If the dates of change = 10-24 through 10-27-16 and 10-31, two forms will need to be filled out. For changes 10-24 through 10-28-16 consecutively, only one form is needed).

Transportation Change Form Questions...

1. When should I fill out this form – The Transportation Change Request Form is to be used whenever your child has a change in the normal mode of transportation home from school.

2. What is considered "Normal mode of transportation" – The means of transportation home that is usually taken every day by the student.
3. What is a "permanent change" – Any change that supersedes a previously normal mode of transportation for an extended period of time.
4. When do I need to fill out more than one "Transportation Change Form" – If the means of transportation you wish your student to take home is different than the last note sent in or different from the means of transportation home that is usually taken every day by the student (i.e. if student usually takes the bus, then for a few days is a car loop pick up, then is back on the bus, this would require two notes.
5. Where can I find a copy of the "Transportation Change Form" – This form can be found online at www.palmbayacademy.org or at the Front Desk.

Visiting Students in School

- ♦ Student visitation rights are allowed only for parent or legal guardian (must be designated as such in our computer system with court or other legal documentation on file).
- ♦ Parent or legal guardian can designate other individuals to visit students, but this notification must be in writing clearly stating the designee is allowed to visit the student in the school, the date of visitation, signed by the parent/legal guardian and be allowable in person) by all legal guardian person concerned. Visitation under this designation must still follow security protocol; photo ID required no impromptu visits, etc. Impromptu visits are not allowed. Appointments must be made with the teacher.
- ♦ No adults, including parents/guardians will be allowed beyond the interior front office doors for the Elementary Campus or beyond the front reception desk for the Middle School Campus unless they have previous authorization.
- ♦ Early pick-up cannot be any later than 2:00 pm on regular school days and no later than 12:45 pm on early release days (3:50 pm regular or 2:35 pm early release for Middle).
- ♦ Impromptu meetings with teachers and administration can no longer be allowed especially at the beginning of the school day and at dismissal – please schedule a meeting or a conference call.

These policies and procedures are to ensure that our students are safe and that the teachers are able to remain with their students at all times. We understand that these measures may cause inconvenience to some, but the safety of our students must take first priority.

Picking Up Early

Early pickups at Elementary campuses must be made no later than 2:00 pm. **There are no exceptions.** Elementary buses arrive at 2:00 pm and the car loop lane must be clear at that time. If you arrive after 2:00 pm, you will be asked to wait until the buses have loaded before your children will be released.

Elementary early pickups must be made no later than 2:00 pm on regular days or 12:45 pm on early release days. Middle School times are 4:00 pm regular or 2:35 pm early release. **There are no exceptions.** If you arrive after the cut off time, you will be directed to go through the car loop.

Parents cannot call the school ahead of time (while in route) to have their student wait in the front office until they arrive. If the parent's car is not in the pick-up zone, student(s) will not be brought to the front office for check out. All checkouts must be coordinated with the front office, not the student's teacher. Parents come into the front office in order to sign out their children.

As a reminder for Elementary campus parents/guardians, parking is prohibited on both sides of Tropicana and in the business parking lot on the east side of Tropicana. This private lot is a tow away zone and is protected by security cameras.

Late Pick Ups

Elementary students are released from school at 2:30 pm and 4:15 pm for Middle (except for early release days which are 1:15 pm for Elementary, 3:00 pm for Middle School). Regular pick up time for Elementary students is between 2:30 pm and 2:45 pm and 4:15 pm – 4:30 pm for Middle. Palm Bay Academy is responsible for your children from 7:10 am - 2:45 pm (Elementary School campus), and 9:00 am to 4:15 pm (Middle School campus).

Teachers will contact parents to verify they are on their way. If parents cannot be reached, teachers will call other contacts listed on their students contact list until an authorized person can be reached and is on their way to the school. After the times noted, students will be considered "Late pick-ups" and late pick-up fees will be incurred. Fees are per each student and due upon parent arrival in CASH. Partial payment not accepted.

NOTE: All of the above also applies for Early Release Days as detailed below...

- PBA is responsible for your Elementary students until 1:45 pm (Elementary) and 3:30 pm (Middle)
- Between 1:30 pm and 1:45 pm (Elementary) and 3:15 pm and 3:30 pm (Middle) teachers will contact parents to verify they are on their way
- The pickup time is 1:15 pm for Elementary, 3:00 pm for Middle School
- Late pick up fee begins at 3:00 pm on regular days, 1:45 pm for Early Release Days and 3:30 pm for Middle Early Release Days

If necessary, local authorities will be contacted to pick up "Late pick-ups" (3:00 pm on regular days and 4:30 pm for Middle, 1:45 pm for Early Release Days and 3:30 pm for Middle Early Release Days) and continue attempting to contact authorized persons.

Out Sick

It is required that you notify the school by 7:30 am (Elementary, 9:15 am for Middle) and report when your child is out ill. In addition, if your child is out for 3 or more days a doctor's note releasing your child for school is required for your child to return to school.

Withdrawals

Please keep in mind that when you withdraw your child you must fill out the withdrawal paperwork before they can attend another school. This includes withdrawal for home schooling options. It takes at least 24 hours to prepare the student's CUMULATIVE folder and electronic files for the next school. If you know when your student's last day will be, please come to the Front Office and complete the necessary paperwork ahead of time.

Habitual Truant

For those students that become identified as habitually truant, notification will be sent to Brevard County School Truancy Office. The School Board's policy concerning truancy is as follows:

As defined in F.S. 1000.01, an "habitual truant" is "a student who has fifteen (15) or more unexcused absences within ninety (90) calendar days with or without the knowledge or consent of the student's parent/guardian, and who is subject to compulsory school attendance."

Any student who accumulates a total of fifteen (15) days of unexcused absence in a period of ninety (90) calendar days will be considered habitually truant. The student and his/her parent shall be informed of excessive absences as well as the district's intent to file a complaint with the Circuit Court Juvenile Division and notify the Department of Highway Safety and Motor Vehicles (DHSMV).

Please note that if a student has been absent for three days due to illness, they will not be allowed to return unless they have a doctor's note stating that the student is not contagious and that they are allowed to return to school.

Extended Time Away

It is understood that there may be times when students will be away from school for extended periods (chronic illness, family emergencies, etc.). These cases will be reviewed individually. Written notification of extended absence must be given and approved by Administration (not the teacher) **in advance** in order for absences to be excused. It is expected that students make up missed work in order to have the absences excused. "Paper and pencil" options are available and must be requested through the student's teacher (after Administrative approval) or PBA Administration.

8. Discipline

Zero Tolerance Policy

There is a zero-tolerance policy for verbal or physical threats to another member of the school community. Threats of violence are grounds for expulsion.

Behavior and Discipline

Each teacher has classroom rules to control their environment and guide behavior. Prevention of behavior problems is enhanced by close communication between the administrator, parents, teachers and students. The following is a brief set of rules students attending Palm Bay Academy are expected to follow:

- ◆ To tell the truth
- ◆ To respect every person regardless of age
- ◆ To follow directions
- ◆ To take pride in personal appearance and to wear the school uniform in a neat manner
- ◆ To take care of school property
- ◆ To arrive at school promptly
- ◆ To refrain from carrying objects that are considered to be weapons
- ◆ To be considerate of classmates and teachers
- ◆ To refrain from using offensive language
- ◆ To complete assignments on time

Actions by students which are insubordinate or show disrespect for others or general misconduct which disrupts the learning process shall not be tolerated. If the situation escalates and cannot be handled by the teacher, it shall be referred to administration. Definitive corrective action appropriate to the individual situation shall be taken.

A full description of the Discipline Plans for Elementary and Secondary appear in the Brevard Schools Student Code of Conduct which can be found on the Brevard Public Schools website under the Parents and Students link, then select Code of Student Conduct in the C section. It can also be found on the PBA website under the Information link, Brevard Schools Links, click on Brevard Schools Links on the next page, scroll down to Brevard Schools Elementary and Secondary Code of Student Conduct to access.

NOTE: At the time this document was last published (07.19.24), the Brevard Schools Code of Student Conduct had been updated to the 2024/25 School Year version.

The teacher's may hold after school detention at their discretion. Times will be decided by the teachers. Transportation of students following detention is the responsibility of the parent. All other offenses will fall under the guidelines established by the Brevard County Schools' Discipline Plan.

Conferences and Parent Grievance Procedure

Parent/Student/Teacher conferences are available once per semester. Notices will be given and appointments scheduled for the convenience of both parents and teachers. The allotted time for a conference will be 20 minutes. **Teachers and classes are NOT to be disturbed during the day for an unscheduled conference. Conferences may not be scheduled or initiated during student morning drop-off (Elem - 7:00 am – 7:40 am, Middle – 8:45 am – 9:30 am) during afternoon car loop times (Elem - 2:00 pm – 3:00 pm for regular days, 1:00 pm – 2:00 pm for early release days, Middle – 4:00 pm – 4:10 pm, 2:45 pm– 3:00 pm for early release days).** If you need to speak with a teacher before scheduled conferences, please call the office to arrange an appointment or send an email through your FOCUS account. If a meeting with the Administrator is needed, please make arrangements through the office. **Impromptu meetings are disruptive and pose a safety issue, please be courteous and make an appointment.**

Should a parent/guardian of Palm Bay Academy have any concern, comment, question, or

suggestion they may report them to the teacher of their child without delay. If no satisfactory resolution is reached, the parent should make an appointment with the principal/administrator. If such meeting does not resolve the situation, the parent should contact any of the Board Members at the phone numbers listed in this Student Handbook in Section 13 of this document.

A current contact list can also be found on our website (www.PalmBayAcademy.org). Click the "Contact" icon near the top of the home page. If access to the internet is not possible, a copy can be requested at the front desk.

9. Volunteering

A very important aspect of Palm Bay Academy and your child's education is parents/guardians becoming an active part of the environment. It is through dedication and hard work of volunteers that our students' educational needs are met. All volunteers must be Approved Volunteers (For specific information see section 7. Attendance, under **Background Checked and Fingerprinted**).

Examples of Approved Methods of Volunteerism

- * Attendance of PTO meetings
- * Involvement in school fundraisers
- * Involvement in school committees
- * Approved classroom assistance
- * Assisting as a "Lunch Parent"
- * School grounds clean up
- * Or any other approved method such as; making copies, readying classroom supplies, picking up or delivering items, chaperoning, painting signs, etc.

There are many volunteer opportunities for working parents. Remember, your child will reap the benefits of your involvement in his or her education.

10. Emergency and Testing Policies

School Closings

There may be times that Palm Bay Academy will be closed due to weather or emergency conditions. We will be closed when Brevard Public Schools closes for hurricanes, brush fires, or other emergencies. You will be notified by a pre-recorded call from Brevard County Schools of these closings and by email and text from Palm Bay Academy.

PBA will responsibly inform local health officials of any COVID-19 exposure and in the unlikely event a closing should be required due to COVID-19 circumstances, PBA will follow guidelines for school board procedures to inform staff, and families of the situation.

In times of severe weather, dismissal may be delayed. Children may be held in the classroom by their teacher to avoid dangerous conditions. Parents need to be patient while waiting for

dismissal. Teachers will dismiss children when conditions improve.

Fire Drills

Fire drills are performed periodically. Fire drills monitor the school's effectiveness in ensuring the safety of all students.

Lockdowns

At times, Police Authorities may advise that we lockdown the school due to certain activity in the area. If that occurs, the school will follow Brevard Public School rules concerning lockdowns

which includes (but is not limited to) no traffic in or out of the school until we receive a release from the Police Authorities. Parents will not be allowed onto school grounds nor will students be able to leave school grounds until the "all clear" comes from the Authorities.

FAST and District Testing

All public schools and public charters in Florida will participate in FAST testing (Florida Assessment of Student Thinking). Testing days will be announced via your student's homeroom teacher.

Please be sure ...

- Your children get plenty of sleep during the Florida Assessment testing period.
- They receive a nutritional breakfast every morning.
- They limit intake of sugary snacks and drinks.
- They arrive at school early (before 7:25 am) and ready to start.
- They leave electronics and cell phones at home or in the front office.

Talk to your child about the importance of the tests! Don't place so much pressure on doing well that the child panics the day of the test. Your child has been learning what they need to know since the first day of school. Make sure your child gets enough sleep the night before the tests (and all other days, as well). Help your child start test mornings as positively as possible. If disorganization is an issue, make sure that pencils, papers and uniforms are ready the night before. A few extra minutes of time may be beneficial so that your child will be more relaxed instead of "rushed".

Electronic devices are not permitted in the testing room. Students must leave cell phones at home.

Students arriving late will not be permitted in the testing rooms and will be asked to wait in the front office until the testing period is completed. They will have to make up the test being administered at that time on the designated retake days.
